### Chair Perspective

SWING INTO SPRING! Spring is here, or at least it is very close! As I peer out of my window for a moment, the sun is out, and it's about 80 degrees outside. Just enough for the weeds to kick into high gear and make me get out and do a ton of work in my yard when I would just as soon be doing something I like to do. Ok, I should be more positive but it is Friday! So I will just say HAPPY SPRING!

As we continue down the path to 2012, it appears that we will be busier than ever. In keeping with the spirit of our organization, we will be rolling into several functions including Science Fair, Scholarship Awards, Fall Conference Planning and our Elections for the upcoming year. Of course I know of several folks who will be planning to attend the A&WMA conference in San Antonio. I am sure that this will be a GREAT event this year as well. Glad to see the conference in the South this year. If you have never attended a conference and never been to San Antonio, this would be a great opportunity to network with other members, get the latest information on technologies and get up-to-date regulatory information. San Antonio, and the surrounding area, is a great place to visit. Look for more information to come.

### Don't miss out!

Register for the annual A&WMA golf tournament Today!  
**April 19th**  
Pelican Point Golf Course  
In Gonzales!

We are finalizing the Dinner Meeting for March, which is to be held March 15th. I hope you will be able to attend. Maureen Harbourt will be presenting on **"Dos and Don'ts for Deviation Reporting in Title V and Minor Source Permits."** Maureen has done a great job in the past providing the latest information on regulatory requirements and I am sure this will be no exception. Sign up soon!

OK, for the serious side of Spring, we are swinging into reporting season full speed ahead. I am sure many of you are very busy performing calculations, studying up on the latest ERIC information and working hard to get Title V certifications where they need to be. Look to the newsletter for upcoming reporting deadlines. This coincides well with our Dinner Meeting topic.

## Chair Perspective Continued...

*Continued from page 1...*

Also, we are in full swing in preparing for the Annual Young Professionals Golf Tournament to be held in April. We already have a few sponsors and, weather permitting, it is shaping up to be a fun-filled event. I am no scratch golfer, but you don't have to be either! Stay tuned for more information from Jennifer Tullier and Jason Midgett our Golf Tournament Co-Chairs.

OK, as we swing in to spring let's focus on all the activities for our everyday work life balance. I know my girls are focused on finishing the college semester and my son, of course, is already ready for summer activities. Let's not forget to focus on our families and friends and what is important! Take time to reflect how the first few months have flown by and what fun activities we can enjoy through mid-year. Of course, don't forget our Organization's upcoming activities. I reviewed my newsletter from last March and will repeat the following..... *It amazes me how year to year we can reflect on the same topics and our environment (work and play) is ever changing...Next year same message!*

Again, as I have said many times before the organization could not exist without you! As always we welcome your input! See you soon!

Section Chair  
Julie Roussel

## A&WMA Recent Organizational Changes

Dear Friends,

I am writing to let you know (ahead of a press release that will be forthcoming) that I have recently resigned my post with A&WMA. Please know that in no way was this resignation and separation anything but amicable – there were no upsets, no discords, and no “drama” involved. It was simply the outcome of a better opportunity presenting itself for me and my family at this time that I am compelled to accept.

And I want to take this opportunity to particularly thank you all - all of you who have been both friend, colleague, and mentor – for the lessons and experiences I will certainly carry with me going forward. I appreciate all the blessings and opportunities that I have been given here at A&WMA. I have really enjoyed the job and my time here at the A&WMA. It is tough to leave the A&WMA family - and I mean that. So many valued friends on the Board and within the greater volunteer leadership. A special thanks to the Section leaders and to many of the past Presidents who were kind enough to always be available to take my call and lend advice and counsel. And of course I want to recognize and thank the HQ staff, quite simply, just a great group of people to work with.

*Continued on page 3...*

Continued from page 2...

I will be serving out a sixty days notice, through to the beginning of April. Please know that Merlyn, Jeff, Sara and I have full agreement between us for prioritizations and are committed to working together to help ensure an orderly and smooth transition to a new staff leader. A search committee is being formed by the Board leadership at this time. We have done some wonderful work together these past two years and I hope that the future brings only new growth and further vitalization to the Association.

I hope to be able to stay in contact with you going forward – and that we will have reason to maintain our friendships.

I wish you all – and the Association – only the very best!

Most Sincerely,  
Mike

National A&WMA Executive Director  
Michael P. Kelly

## Louisiana Section Young Professionals Events!

The Louisiana Section YP Group held the first YP Event of 2012 February 28th. Both YPs and non-YPs enjoyed the first YP Trivia Night! An evening of food, drinks, networking, and fun competition provided an easy start to 2012.

The next scheduled YP hosted event is the LA Section 2<sup>nd</sup> Annual Golf Tournament. The 2011 Inaugural Tournament raised over \$2,000. In keeping with the Association's focus on education, over \$200 was donated through DonorsChoose.org to support a Louisiana science teacher and their school project "Saving Our River: Point to the Source". The remaining money was used to fund the new "YP to ACE" program. Kelly Bergeron and Jason Midgett, represented the LA Section YP Group at the Annual Conference and Exhibition (ACE) in Orlando, Florida in June. Kelly and Jason were chosen based on their commitment and involvement in the YP Group and had the opportunity to attend ACE. This year's tournament will be held Thursday, April 19<sup>th</sup> at Pelican Point in Gonzales, LA. Planning for the tournament is underway, for more information please contact a member of the Golf Tournament Committee or visit our online registration form.

## Scholarship Opportunities

The Louisiana Section of the A&WMA is searching for candidates for two or more, \$1,000 or more, cash scholarship awards. The awards will also include a one year student membership in the A&WMA. Although the number of recipients and amount available varies each year, the LA section was able to award one \$3,000, and three \$2,000 cash awards in 2011.

The LA Section is accepting applications from full time students pursuing a bachelor's or masters degree with a major in engineering, physical or natural science, or public health. The applicant's desire to promote air pollution control and/or solid or hazardous waste management should be reflected in course work and projects. A Complete list of eligibility criteria is provided in the [Application Packet](#).

Please help us to get the word out to potentially eligible students by making the [Application Packet](#) available to them. Application materials must be received by Friday, March 30, 2012, for students to be considered. Feel free to contact [Karen Blakemore](#) or [Kevin Calhoun](#) with any questions.

## Test your knowledge with a few questions from Trivia Night!

1. What year did the EPA form and who was president at the time?
2. How fast are Louisiana's wetlands disappearing?
3. As their habitats are destroyed by humans every day, this number of species of plants and animals become extinct.
4. What is the most recently regulated air pollutant?
5. If everyone in the US recycled their Sunday newspaper how many trees would be saved?

Laughing and having a great time,  
YP members and non-members  
enjoy some trivia!

## Quick Question

For our annual report, we need to know if any LA Section member had an article published in EM or the Journal. If so, we also need to know the name of the author, as well as which publication it appeared in and the date of publication. We also need to know if anyone in the section presented any technical papers on behalf of the association in 2011, and if so, where these were presented. For example, if anyone made a presentation at ACE or any specialty conference, it is crucial that I am notified at your earliest convenience. We would greatly appreciate it if anyone who had any articles published, or technical papers presented over the past year, contact **Michael Vince** before March 26! Thanks so much!

Past Chair  
Michael Vince

## Whoops Our Mistake!

It has been brought to my attention that in the final stages of completing the January edition of The Monitor, two corporate sponsors names were cut off of the thank you list. I would like to take this time to apologize, and especially thank, Taylor Porter as well as Shaw, for their generous support!

## January Dinner Meeting Recap.

The January Meeting of the Louisiana Section of the Air and Waste Management Association was held on Thursday, January 19th at Messina's Catering in Kenner, Louisiana. Sanford (Sam) Phillips, LDEQ Assistant Secretary of Environmental Services, discussed EPA's November 30, 2011 final rule re-designating the Baton Rouge Non-Attainment Area as being in attainment with the 1997 Ozone Standard, LDEQ's December 21, 2011 Emergency Rule intended to implement the EPA final rule, how permitting will be handled between December 30, 2011 and the expected designation of non-attainment with the 1998 Ozone Standard, which is expected to occur in the

Spring/Summer of 2012, and

what to expect after re-designation to non-attainment.

Also at the meeting, Allyson Morales, Education Vice Chair of the Louisiana Section, presented the Adopt-A-School Grant of \$1,500 to Molly Phillips from Iberville Math Sciences and Arts Academy for the Wetlands Week Project and a grant of \$1,787 to Amanda Ogea from Bishop Noland Episcopal Day School for the LA Motte Air Quality Tester Project. Congratulations to these deserving winners!

## Call for Nominations for YPAC Members at Large (2013)

According to the YPAC Manual of Operations, the YPAC Member at Large is appointed by the current YPAC. Members at Large help ensure the YPAC maintains a breadth of geographic, employment category, and other Council and/or Board representation, or the presence of a particular skill set. To encourage the development of young professional leadership skills and to initiate new leaders into the Association, preference will be given to a young professional (35 years of age or younger working in the environmental profession). Eligible candidates for Member at Large must meet the following criteria:

- Approval from employer to serve a one-year term (January 1, 2013-December 31, 2013) as YPAC Member at Large

Nominations are due via e-mail to the YPAC Staff Liaison, Malissa Wood at [mwood@awma.org](mailto:mwood@awma.org), by **Wednesday, March 28, 2012**. Please send any questions regarding the nominating process, including questions on eligible candidates, to Malissa Wood.

Please note that all members of the Association, regardless of age, are encouraged to get involved with YPAC activities. Members interested in getting involved with the YPAC are encouraged to contact the YPAC Vice Chair, Jennifer Tullier at [Jennifer.Tullier@c-ka.com](mailto:Jennifer.Tullier@c-ka.com)

**THE LOUISIANA SECTION OF THE  
AIR & WASTE MANAGEMENT ASSOCIATION  
ANNOUNCES ITS  
2012 SCHOLARSHIP AWARD**

The Louisiana Section of the Air & Waste Management Association is searching for candidates for up to two or more \$1000 or more one-time cash scholarship awards. The award also includes a one year student membership in the Air & Waste Management Association.

**Eligibility:** Individuals must meet the following minimum requirements to be eligible for award consideration:

1. Must be a full time student attending a college or university or law school located within the geographical region of the section. (Louisiana and the Sabine River Region of Eastern Texas)
2. Must be at least a Junior and no higher than Master's level graduate student during the year of the scholarship award (Fall 2012 and Spring 2013).
3. Must have at least two semesters (or three quarters) of schooling remaining at the time of the award (Minimum Fall 2012 and Spring 2013).
4. Must be pursuing a bachelor's or master's degree with the major in engineering, physical or natural science, or public health. (Note: Those pursuing a degree in computer science are not eligible.) Students pursuing a law degree are eligible. Doctoral candidates are not eligible.
5. Must show through course work, projects, personal interest, etc., a desire to promote air pollution control and/or solid or hazardous waste management.
6. Must have at least an overall 3.00 or higher on a scale of 4.00 including all coursework through the last completed semester.
7. Must be interviewed by Louisiana Section representatives. The interview will be scheduled by the Section after the application deadline.
8. The winning applicant should attend the meeting in May to receive the scholarship award.

**Application:** Application materials must be received by **Friday, March 30, 2012** to be considered. Only complete applications received on or before the deadline will be considered. Applications sent via e-mail to the contact listed below are acceptable if all application components are submitted in Portable Document Format (PDF). Receipt of electronic submittals cannot be guaranteed should technical difficulties arise. Facsimile transmittals are not acceptable. The following application components should be submitted:

**Section 1: General Application Information Sheet**

Complete the attached general application information sheet.

**Section 2: Résumé**

Enclose a one to two page resume emphasizing career interests and goals.

**Section 3: Interest and Award Statement**

Provide a one to two page statement of your interest in the environmental field. Describe how the award will be applied.

**Section 4: Transcript**

Supply a current official copy of your college or law school transcript.

**Section 5: Recommendation**

Supply a letter of recommendation from your major professor or department head which should be returned to you in a sealed envelope. The envelope should be signed across the seal by the person submitting the recommendation. As an alternative, an e-mail can be sent from the major professor or department head directly to the contact listed below. A recommendation letter in PDF may also be sent from the person providing the recommendation directly to the contact listed below.

**Section 6: Current Financial Awards**

Provide a list of all financial awards, including their amounts and basis for selection (need or merit), currently being received or expected to be received during the year of the scholarship award (Fall 2012 and Spring 2013). The amount of tuition for a full year of school should also be included.

**Selection Process:** Awards will be made on the basis of academic record, plan of study, career goals, recommendations, and financial status without consideration of sex, race, national origin, age, or physical disability. The Scholarship Awards Committee reviews all applications received and its decision is final. Announcement of the scholarship awards will be made in May.

**Mailing Instructions:**

1. Attach the sealed envelope with the Letter of Recommendation to your packet.
2. Send the completed package to:

# LA Section A&WMA 2<sup>nd</sup> Annual Golf Tournament

Hosted by the LA Section Young Professionals (YP) Group

Thursday, April 19, 2012

Pelican Point Golf Course – The Lakes

Shotgun Start at 11:30 am (Rain or Shine)

Appetizers and awards to immediately follow

Player/Sponsor Registration Deadline: April 2<sup>nd</sup>

Who's invited: YPs & non-YPs, members & non-members

Entry Fee: \$100/Person or \$350/Foursome

YPs represent a dynamic and energetic, group of members in A&WMA. It is vital to increase the involvement of YPs in the activities of the association, and provide YPs opportunities to network, stay up-to-date with industry, learn leadership skills and offer mentorship. The LA Section A&WMA YP Group is growing and becoming a stronger resource for the LA Section and the Association as a whole. The 2011 Inaugural Tournament raised over \$2,000. In keeping with the Association's focus on education, over \$200 was donated through DonorsChoose.org to support a Louisiana science teacher and their school project "Saving Our River: Point to the Source". The remaining money was used to fund the new "YP to ACE" program. Kelly Bergeron and Jason Midgett, represented the LA Section YP Group at the Annual Conference and Exhibition (ACE) in Orlando, Florida in June. Kelly and Jason were chosen based on their commitment and involvement in the YP Group and had the opportunity to attend ACE. Your support of the 2nd Annual Golf Tournament supports the growth of YPs, the growth of the YP Group and the growth of the LA Section.

I'm interested in supporting the tournament at the following level:

- Platinum (\$1000)
- Gold (\$750)
- Silver (\$500)
- Food (\$100)
- Hole (\$50)
- I have something to donate to the tournament for prizes, give aways, or financial support not by means of sponsorship.

# LA Section A&WMA 2<sup>nd</sup> Annual Golf Tournament

Hosted by the YP Group

## Sponsorship Packages

YPs represent a dynamic and energetic, group of members in A&WMA. It is vital to increase the involvement of YPs in the activities of the association, and provide YPs opportunities to network, stay up-to-date with industry, learn leadership skills and offer mentorship. The LA Section A&WMA YP Group is growing and becoming a stronger resource for the LA Section and the Association as a whole. The 2011 Inaugural Tournament raised over \$2,000. In keeping with the Association's focus on education, over \$200 was donated through DonorsChoose.org to support a Louisiana science teacher and their school project "Saving Our River: Point to the Source". The remaining money was used to fund the new "YP to ACE" program. Kelly Bergeron and Jason Midgett, represented the LA Section YP Group at the Annual Conference and Exhibition (ACE) in Orlando, Florida in June. Kelly and Jason were chosen based on their commitment and involvement in the YP Group and had the opportunity to attend ACE.

Your support of the 2<sup>nd</sup> Annual Golf Tournament supports the growth of YPs, the growth of the YP Group and the growth of the LA Section.
